Pardon Lange
SC. 2-2288.

Dear Gordy—
Sounds like a letter, hey? We sure had a lot of fun these last 4 years and all. Take it easy on that cycle and don't pick up too many girls. Good luck to a great guy and things.

Cheers, Norm Clausen

Gordy
Can't argue about labor unions sometime? May be we can get together with J.B. and have a rebel discussion. Good luck Joe

Gordy
Well, were through with Big "B" (what a joke) It's been fun being with and knowing you in the last four years. I wish you the best of luck in all your future endeavors, especially along the academic lines—

Bill Lowell

Gordy—
Haven't heard much from you this summer—and take care of your cycle—

Earl Magoon

Gordy—
At least Mrs. Kurtz will be happy to see us go. Luck always!

Dave

Gordy,

Dont heed a word Dave has to say. He's just jealous because he can't beat you with his tricycle that's all. I told Dave (A) that I knew him since 3rd Grade. I think its been about the same with you. Anyway, maybe I'll see you at U.W.M. Best wishes for a successful future.

Tom J.

Gordy,

I'm sure has been fun these last four years. M.H.S. has a swell class of time, even though we haven't it? Sometimes I wonder if we had any future. Good luck in the future.

Be good

Gordy —

I have enjoyed being part of the football team with you all year. I even think you typed mine in Homeroom by giving me some thick answers. But that's rotten physics — anyway I hope you both going to study up a couple & practice this summer brother — we're both going to study up a lot & stick in the future.

Lots S.

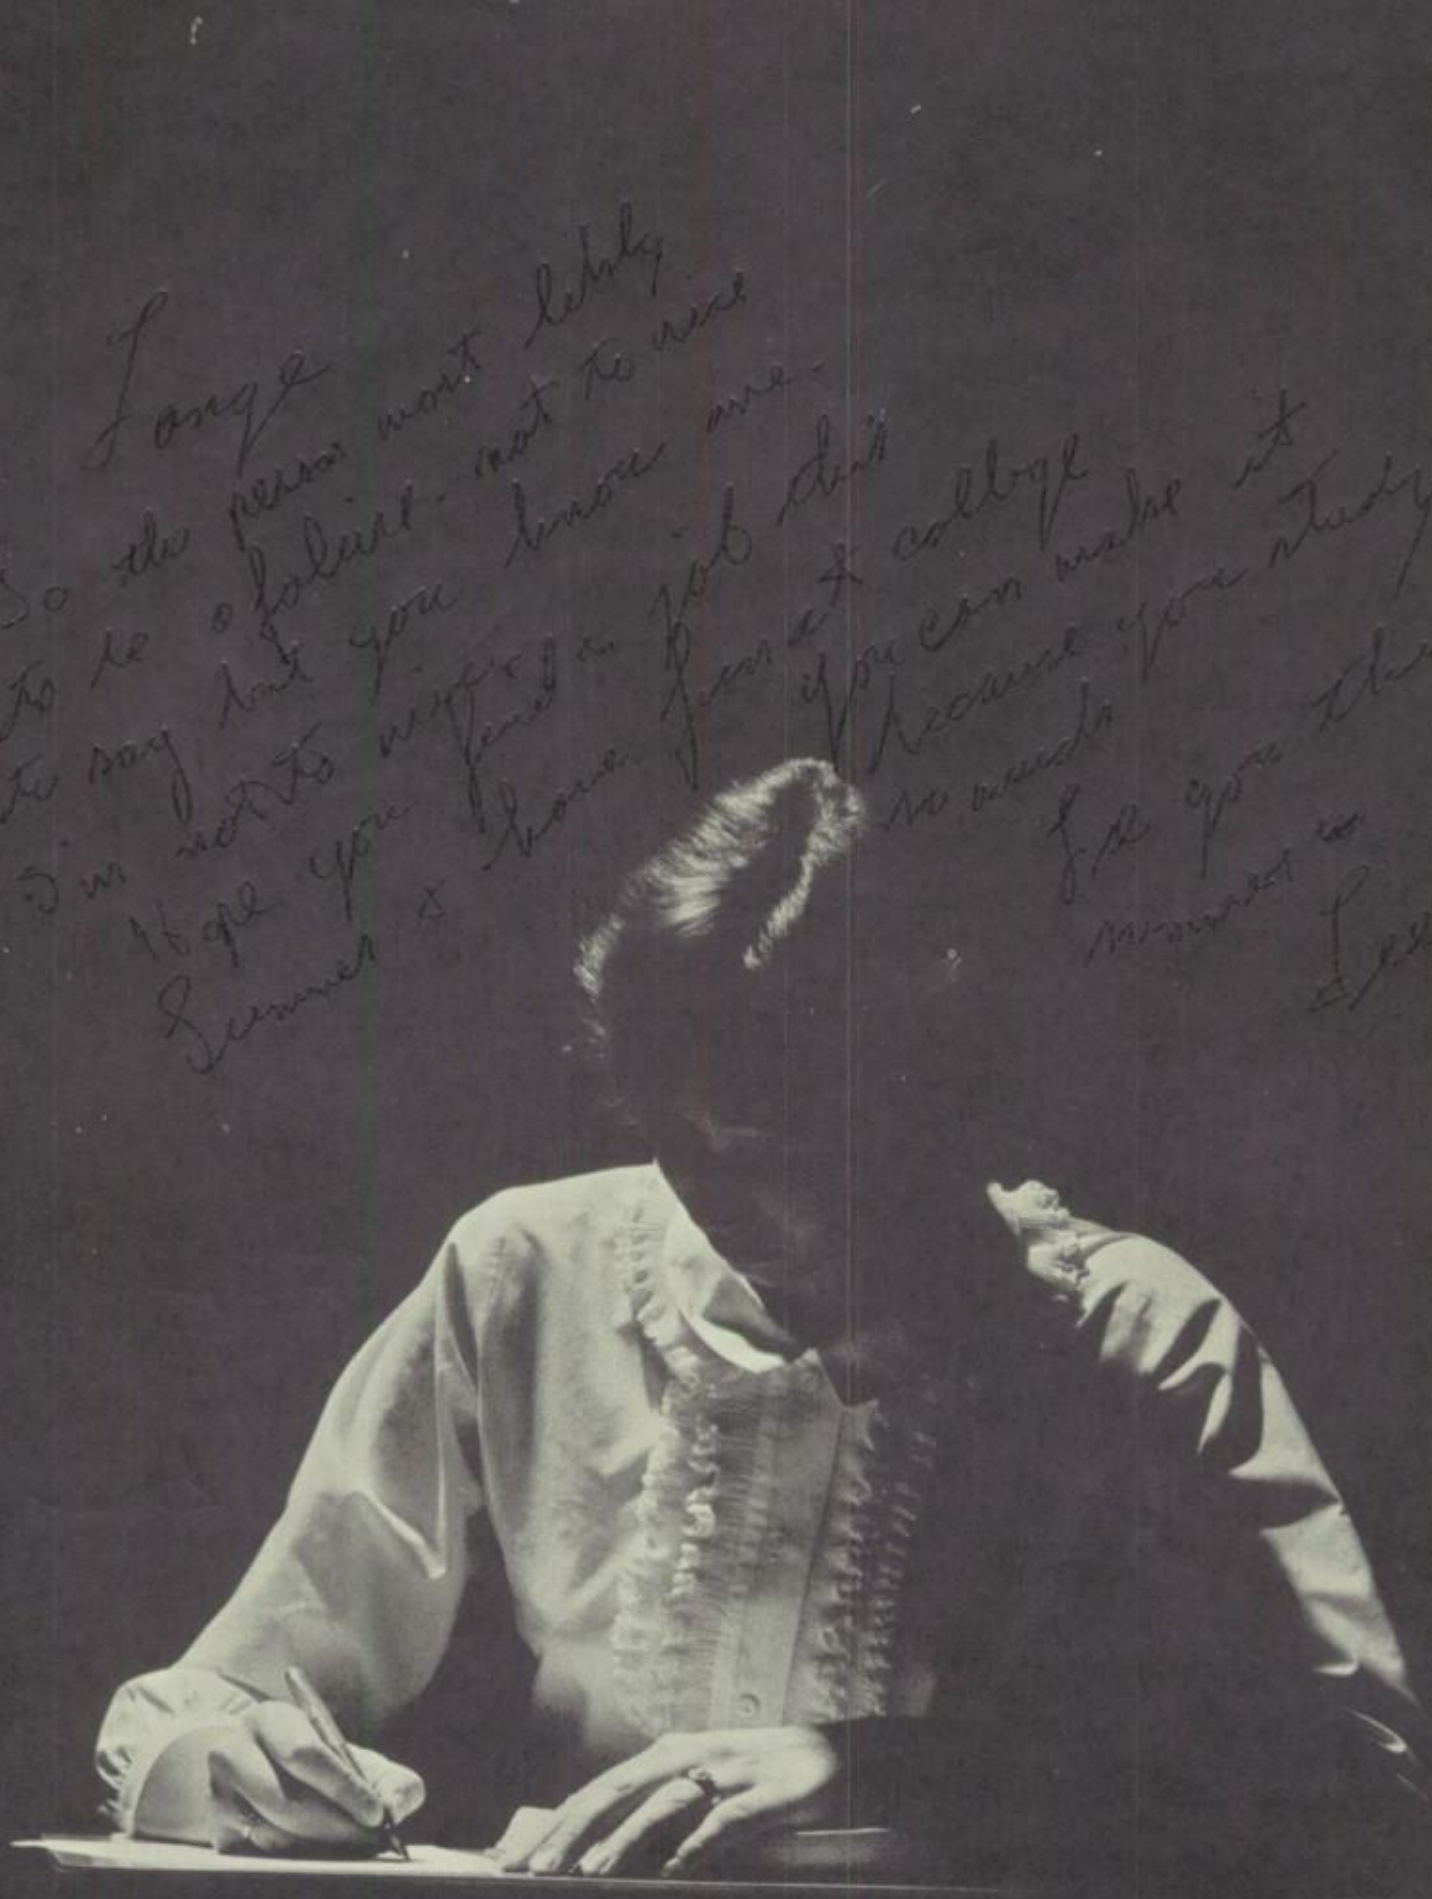
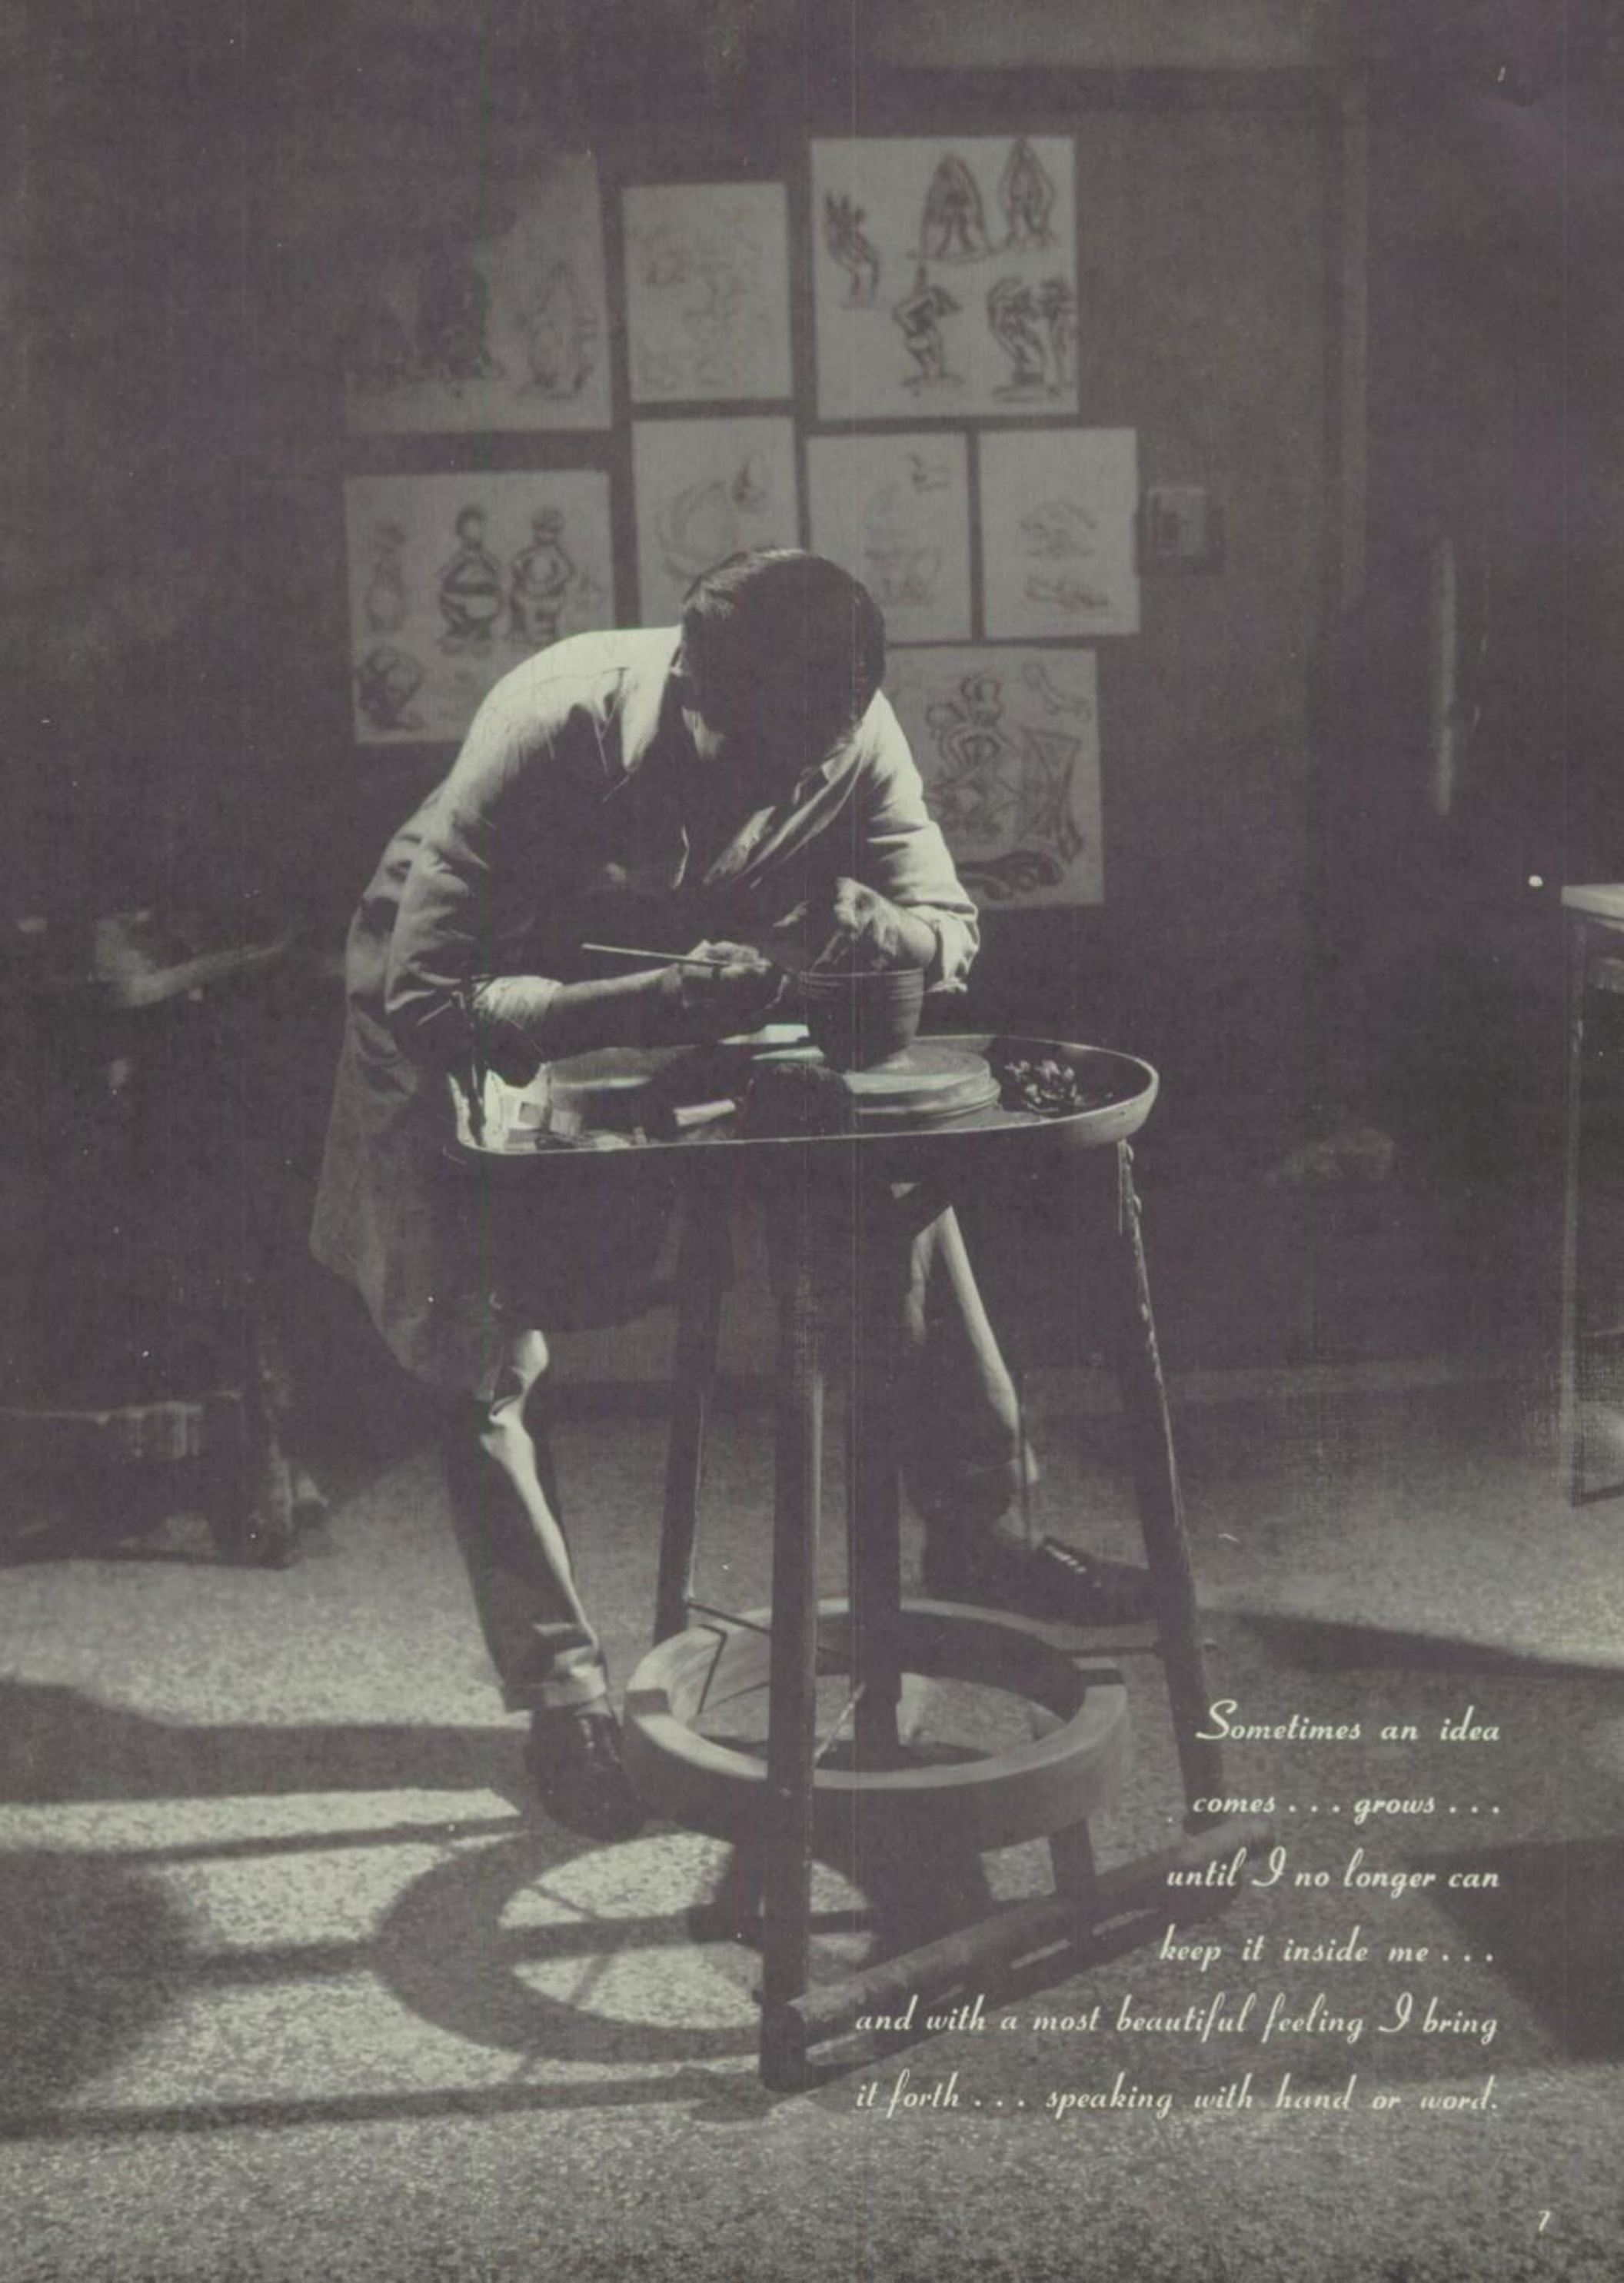
We, the student body of B.C.H.S., dedicate the 1962 Legend to Mr. Ferd C. Schoenbaum in appreciation for his interest in the development of the Brookfield high school system. Mr. Schoenbaum, who was instrumental in the formation of the high school district, has served as treasurer of the high school board since its inception in July of 1952 and as chairman of the site committee. For his contributions to the welfare of the youth of our community, we thank Mr. Schoenbaum.



*Suddenly I have become so aware of myself . . . and I dream a bit . . . of the future. Sometimes . . . there is this feeling that wells up inside me and I want to do something ever so great . . . I'm not sure what . . . it's just this feeling.*

*In unison of mind and hand and tool . . . through years of learning . . . skillful effort yields a product of my own creation.*



*Sometimes an idea*

*comes . . . grows . . .*

*until I no longer can*

*keep it inside me . . .*

*and with a most beautiful feeling I bring*

*it forth . . . speaking with hand or word.*

*Possessed with a quickening curiosity . . . an overwhelming desire to learn, I am in endless quest of knowledge . . . for, one by one, each answer reveals a whole new world still before me.*

Exam week—and with it come the seemingly endless hours of preparation —for two days of tests. There isn't much time left now to skim over a semester of work: pick out the facts, remember the names, the dates, the equations; sort them; file them away in the memory; remember them when the Big Test comes.

It's only Monday now, and Thursday seems somehow far away—but it will come. And so we study . . . while we wait.

Two days of tests—but the real test is going on right now inside of us. Exam week—what does it really mean? has it done us any good? have we really learned anything? These are questions only we can answer.

THESE

TO WIN IS IMPORTANT . . . BUT IT'S ONLY THE FINAL SHOW . . . THE REAL GAME IS WON NOT BEFORE THE CROWDS, BUT IN THE DAYS OF PRACTICE THAT PASSED UNNOTICED.

Some of Brookfield's best belong to B-Club.

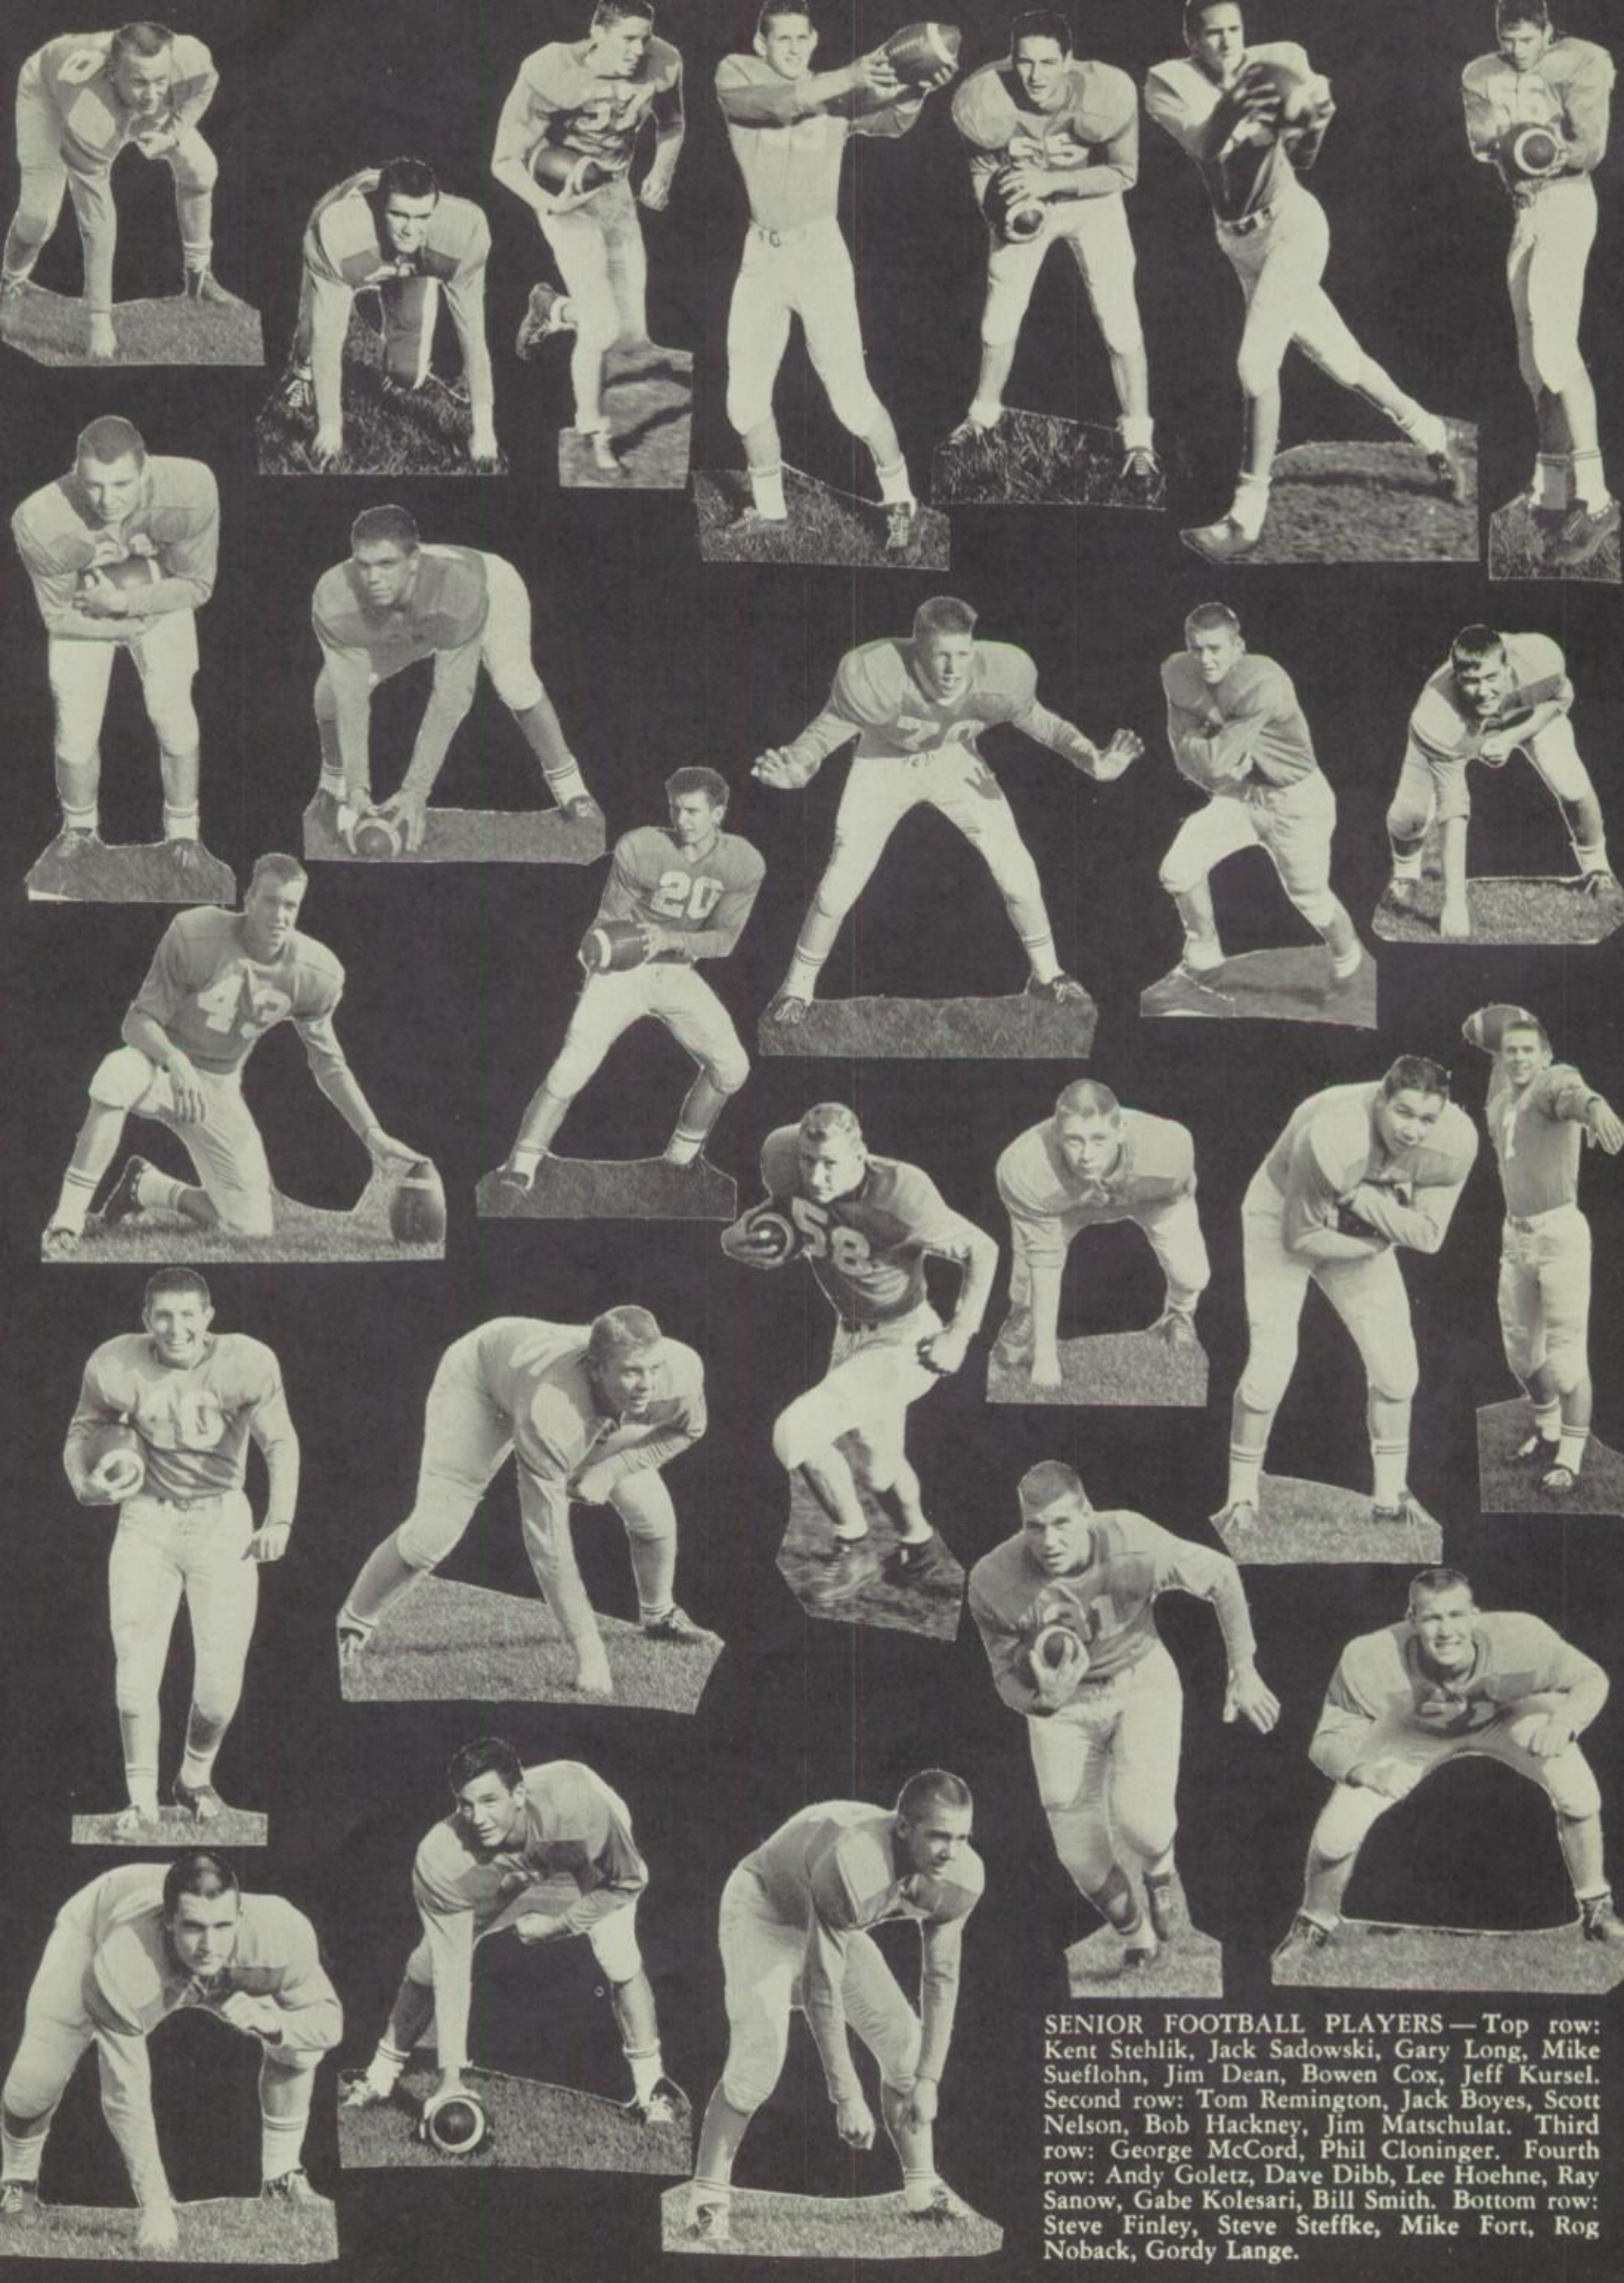
The best athlete award is presented annually to the outstanding senior athlete at Brookfield Central.

## LETTERMAN'S CLUB — 1961-62

The Letterman's Club, or B-Club, an organization for all major letter winners, strives to promote high standards of sportsmanship, to provide a close relationship between all lines of athletic endeavor, and to establish a central control agency for athletic awards and the wearing of the "B." As one of the active clubs at Brookfield Central, the B-Club sponsors a fall dance, the alumni and junior high basketball tournaments, the All-Sports banquet, a father and son night, and the B-Club picnic. In addition, the boys sell concessions and usher at all home basketball games and wrestling matches.



SENIOR FOOTBALL PLAYERS — Top row: Kent Stehlik, Jack Sadowski, Gary Long, Mike Sueflohn, Jim Dean, Bowen Cox, Jeff Kursel. Second row: Tom Remington, Jack Boyes, Scott Nelson, Bob Hackney, Jim Matschulat. Third row: George McCord, Phil Cloninger. Fourth row: Andy Goletz, Dave Dibb, Lee Hoehne, Ray Sanow, Gabe Kolesari, Bill Smith. Bottom row: Steve Finley, Steve Steffke, Mike Fort, Rog Noback, Gordy Lange.

## FOOTBALL — 1961

The Lancer football team, guided by head coach Robert Petruska, line coach Harley Graf, and backfield coach Hal Raether, finished another successful season with a record of 6-1-1, sharing with Greenfield the Southern Braveland Conference Championship. After opening the season by tying Watertown, the team came through with successive wins over Granville, Nicolet, Greendale, Whitnall, Oak Creek, and Muskego; then we met a tough Greenfield team. Here, after scoring quite easily in the first quarter, we became completely ineffectual and suffered a crushing defeat. Our greatest satisfaction came in shutting out Oak Creek, the only opponent to score on the Lancers in the previous season.

Roger Noback, Mike Sueflohn, and Mike Fort were selected for the All-Conference first team, Bill Smith for the second team, and Jim Matschulat received honorable mention.

Elected co-captains were Roger Noback and Mike Fort; Phil Cloninger was voted most valuable player.

1961 JUNIOR VARSITY SQUAD — *Front row: Dick Lincoln, Tim Birkholz, Mike Wegner, Rick Weiss, Phil Bartelt, Dave Hesse, Jim Harris, Tom Theilig, Jim Nettesheim, Merrill York, John Haumschild, Terry Kunde, Dave Purnell, Bob Dresden, Jim Bellin, Richard Washkuhn. ## FRESHMAN AND JUNIOR VARSITY FOOTBALL — 1961

The Junior Varsity Football Squad opened its season with a 7-7 tie with Menomonee Falls. From there, the team improved greatly and scored impressive wins over Brookfield East, Muskego and Greendale. Injuries and a slump brought two losses in the last three games with New Berlin, East, and Greenfield. Promising prospects for next year's varsity made the season very satisfactory.

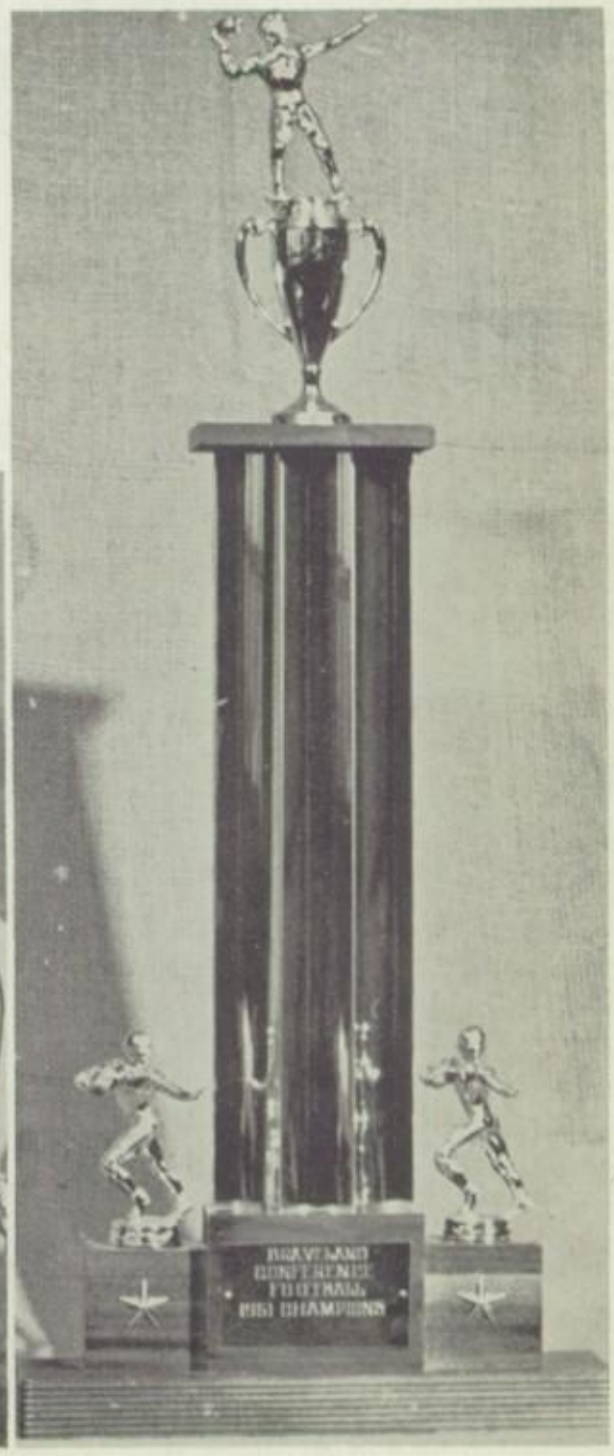
The Freshman football team finished a successful season with a record of four wins, one loss, and one tie.

1961 FRESHMAN FOOTBALL SQUAD — *Front row: Steve Heuel, Charles Joyce, Dennis Price, Jon Schroeder, LeRoy Simoneau, Bruce Thompson, Tom Marks, Cliff Brooks, Jack Bernick, Eric Larson, Scott Hausmann, Mark Ihlenfeldt. Second row: Mark Malisch, Tom Shrike, Dave Karth, Jim Nelson, Chris Murphy, Curt Lohr, Bob Brown, Dan Bradish, Leslie Solymossy, Charlie Parthum, Terry Leaman, Mike Driscoll, John Haut. Third row: Coach Newhouse, Coach Charlesworth, Tom McWilliams, Greg Franke, Brian Miller, Dave Losbek, Al Karter, Mike Runnoe, Bill Siehr, Dave McCord, Bill Kuntze, Jim Frielink, Mike Sostarich, Bob Wille, Cary Jensen, Mike Marshall, Coach Luebstorf.*

We don't mind seeing these boys run away from school.

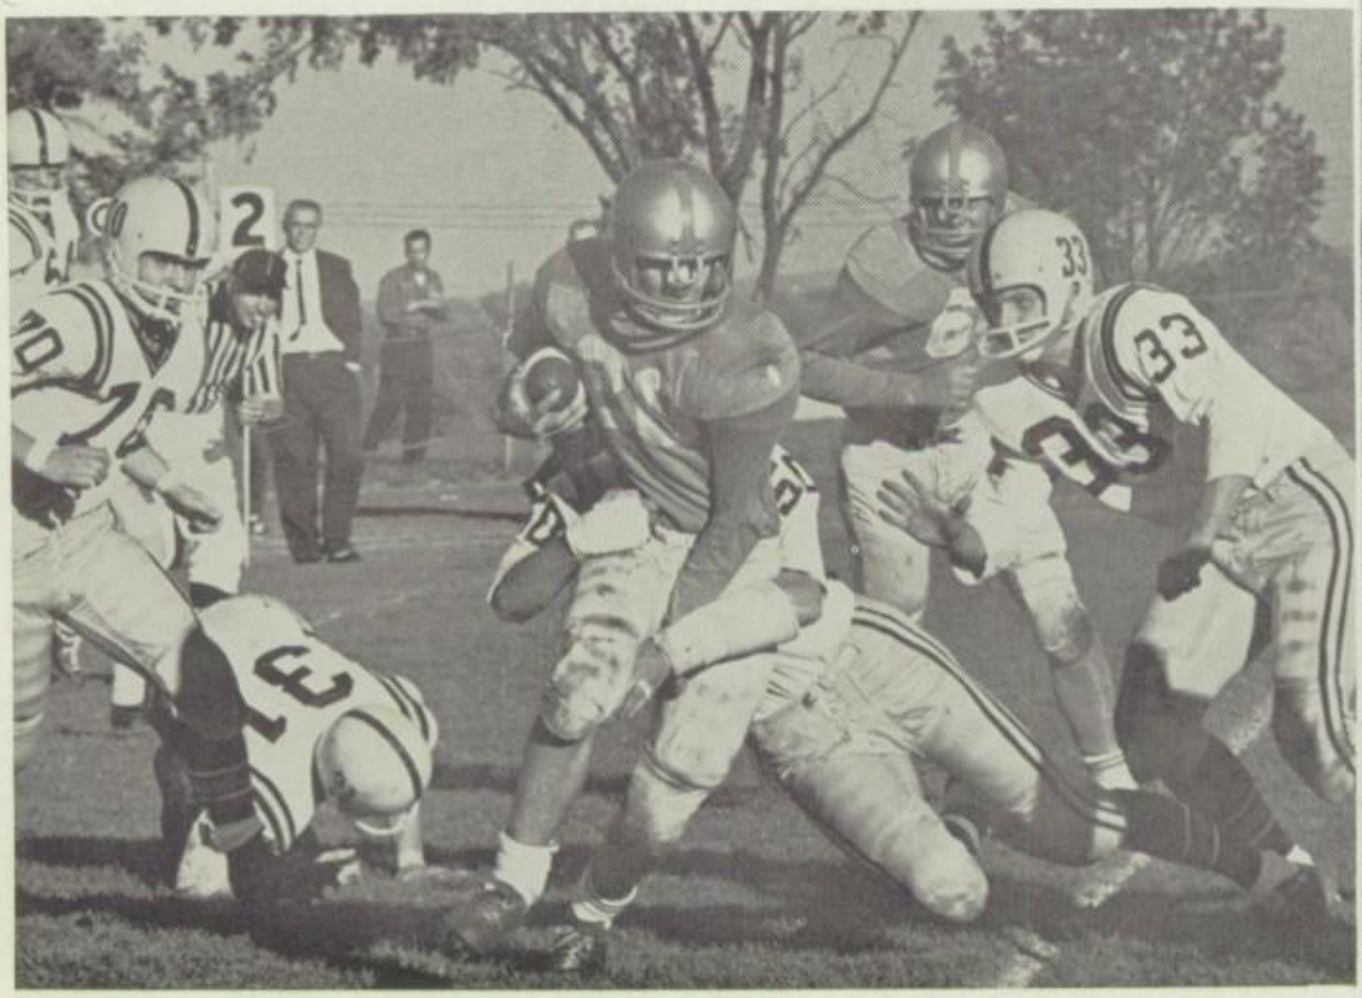
## . . . through rain, wind, and sun.

When they're hitting high and hitting low, or when you sense that the tackler chasing you is a faster man,



or when they're closing in on you suddenly from all sides, it's easy to respect the strategy and power of your opponents, their training, teamwork, and coaching staff.

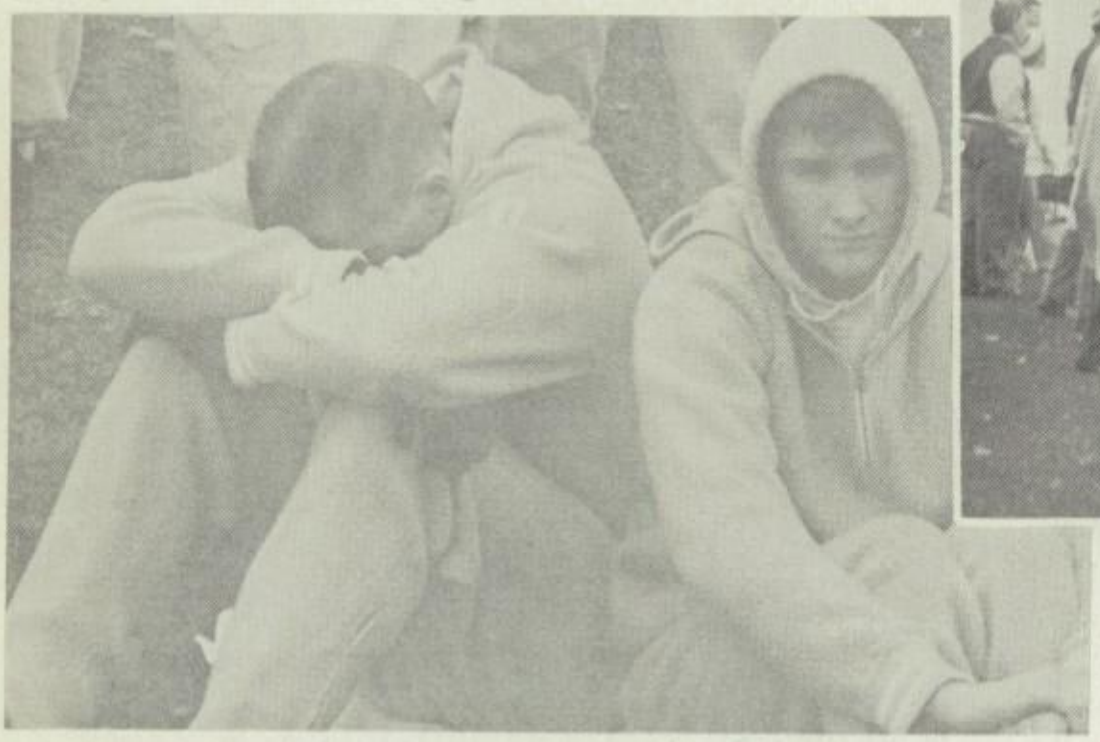
Yet, all the time, you know that you're making them have the same kind of respect for you, your team, your coaches.



It's a good feeling.

# In the long run . . .

They'll never replace the Rockettes.



Though the running was "heads up" . . .

. . . the burden of defeat caused heads to lower.

1961 JUNIOR VARSITY CROSS COUNTRY TEAM — *Front row: Todd Fenzl, Rick Schnell, Tom Kiel, Bob Hansen, Jim Henry. ## CROSS COUNTRY — 1961

Coached by Mr. Russ Coley and paced by seniors Lee Assenheimer, Gary Macklin, and Gary Bendlin, our cross country team was again one of the top teams in the state. For the third consecutive year, we remained undefeated in dual meets. We also won our third straight Braveland Conference meet, the Port Washington Invitational, the Hartford Invitational, and the sectional meet at B.C.H.S.

With only the state meet remaining, we were still undefeated. In fact, no one had ever come close to us. We will offer no alibis for our loss at state. We can only hope that the knowledge we gained by losing will help us eliminate the mistakes we made that Saturday and the days prior to it. We did, however, place second, something which we were all proud of.

Gary Macklin was elected captain and Lee Assenheimer most valuable player.

Next year's returning lettermen will be Tom Behling, Gary Best, Doug Nelson, and Russ Westcott.

## WRESTLING — 1961-62

The Brookfield wrestling team, coached by Howard Matthias, finished the season with a six and five dual match record. Phil Cloninger was voted team captain for the season.

In order for our relatively young team to gain needed experience, Brookfield competed in a number of tournaments during the season. In the D. C. Everest Invitational at Schofield, a tournament attended by many of the state's highly rated teams, Brookfield finished sixth of eight teams. Mike Sueflohn won an individual championship in the 154 pound class.

At West Bend, the Lancers finished fourth in a field of eight teams, with Mike Sueflohn and Phil Cloninger winning championships. The next tournament was the Braveland Conference meet at Greenfield, where Brookfield finished sixth with only one champion, Mike Sueflohn.

At the Nicolet Regionals, Dave Turner (165 pounds) and Jim Harris (120 pounds) took individual crowns and Mike Sueflohn took a second place; the team captured third place. Brookfield took third place at the West Allis Central Sectional. Mike Sueflohn and Dave Turner won individual championships, thus advancing to the state meet at Madison the following week. Mike took second place, losing the championship on riding time. Over all, Brookfield finished eleventh of about 120 schools participating in the state meet.

Through their hard work and experience, these three senior wrestlers—Phil Cloninger, Mike Sueflohn, and Terry Fenzl—contributed to the success of this year's varsity wrestling squad.

## FRESHMAN AND JUNIOR VARSITY WRESTLING — 1961-62

A final record of seven wins and three losses marked the end of the Freshman wrestling season.

# BASKETBALL — 1961-62

Although no one expected much of the Brookfield Central basketball squad this year, the Lancers surprised everybody by turning in a most successful season.

After a slow start at Kenosha, we swept through the next five games and enjoyed Christmas vacation with an undefeated conference record. The highlight of this drive was the 64-40 trouncing of Muskego in the final game before vacation.

We started the new year with victories over Granville and Wauwatosa West before running into trouble at Menomonee Falls. The Indians played their best game and won 69-65. The following night was a different story as the Lancers rebounded to win over Cedarburg. After an exciting over-time win at Homestead, we faltered against tall Port Washington and Nicolet teams, but still remained in first place in the Southern Braveland standings.

During the next few weeks we returned to top form and defeated Greenfield, Greendale, Oak Creek, and Whitnall. Although we lost the last game of the regular season in a hard-fought, over-time contest at Muskego, we still managed to win the conference championship for the second straight year.

The biggest and best effort of the season, however, came at the Hartford Regional. We won our opening game by a 49 to 44 score over Hartford. First game jitters held us down, but the game was well played. The following night, we met a hot Watertown team that had defeated the tourney favorite, Oconomowoc, the previous night. With a display of tenacious defense and a lightning quick fast break, the Lancers proceeded to run over Watertown 52-45, wrapping up the sub-regional championship and the right to meet Fort Atkinson in the regional finals.

The spirited group of faithful fans that followed

the team to Hartford on Saturday night was not disappointed. Again, sparkling defensive play, strong rebounding, and a precise fast break spelled a 66-53 victory for the Lancers. This marked the first time that a Brookfield basketball team had won a regional championship and advanced to the sectional tournament.

The following week-end didn't prove as rewarding, for the Lancers lost to top-notch teams from South Milwaukee and Waunakee.

A few tears were shed as the 1961-62 basketball season came to an end, but it will long be remembered as one of Brookfield's best. Practically all the credit for our success rightfully goes to Coach Ron Blomberg, who was responsible for molding us into the

team that we became. With few exceptions, the Lancers were smaller than every team we faced, but through excellent teamwork and just plain hard work, we overcame most obstacles we faced and produced a championship team.

All of the Lancer starters received recognition in the All-Conference selections following the season. Rog Noback and Jeff Kursel won first team berths, George McCord and Bill Smith were second team choices, and Gary Long received honorable mention. Other post-season awards went to Rog Noback for the most rebounds during the season, George McCord for the best free throw percentage, and Bill Smith for the most assists. The major letter winners, Bob Hackney, Scott Nelson, Jack Sadowski and the starting five, elected George McCord captain and Rog Noback most valuable player.

## FRESHMAN AND JUNIOR VARSITY BASKETBALL — 1961-62

Our Junior Varsity Basketball squad won thirteen of nineteen games, including their last seven outings, showing great improvement in ability and team work as the season progressed.

## TRACK — 1961

The 1961 Brookfield Central High School track team, under the direction of Coach Russ Coley, had a season marked by triumph as well as defeat. The season was somewhat of a let-down in comparison to our 1960 championship year. Generally speaking, the 1961 season must be classified as a building year, since so many team members graduated in June of 1960.

At the conference track meet held at Port Washington, Brookfield took fifth place behind champion Port.

At the sectional meet at Waukesha, four members of the squad won either first or second places, thus advancing to the state meet at Milwaukee North Stadium on May 20. Lee Assenheimer took second in the mile behind Granville's undefeated Greg Gard. Leighton Mangels took fourth place in the pole vault, Jim Matschulat took sixth in the discus, and Mike Golner placed eighth in the 440 yard dash.

Steve Stoddard was elected captain for the '61 season and Leighton Mangels was voted most valuable player.

## TENNIS — 1961

Tennis takes endurance, speed, timing, and hard work — both physical and mental.

1961 was the first year the Braveland Conference did not have a conference meet. Instead, our standings were decided by the individual match standings. This was unfortunate for us, because although we won all our conference matches, we lost the title and trophy to the Nicolet squad, which had won more individual matches.

Bruce Ellwanger and Al Gomber, our doubles team, played Tosa for the sectional championship and, although they were defeated, they advanced to state where they beat Watertown and then lost to Oshkosh, the state double's champs.

## GOLF — 1961

The 1961 golf squad, coached by Harley Graf, continued to be as successful as in the previous two years, winning nine of eleven dual and triangular nine hole matches. Our two losses came by a total of only four strokes. In the years prior to 1961, our home course had been Pewaukee Lakeside Country Club. Last year, however, our home course became Westmoor Country Club in Brookfield.

The spring rains, wind, and cold weather handicapped the golf squad by causing cancellations, postponements, and difficult playing conditions.

Bob Morris, John Gollnick, Peter Lubitz, Rick Hammett, and Sam Johnson represented Brookfield in defense of the Braveland Conference championship on May 17, at Whitnall Park Golf Course. In spite of poor playing conditions, Brookfield won its third straight conference championship with a total of 411 strokes, beating runner-up Menomonee Falls by 14 strokes. Peter Lubitz was co-medalist with a 79.

At the sectional meet held May 26, at Hartford Country Club, Brookfield tied for first with Oconomowoc with 330 strokes. John Gollnick was medalist with a 76.

The state golf meet was held at Lawsonia Golf Course in Green Lake the following week. Bob Morris, John Gollnick, Peter Lubitz, Rick Hammett, and Jim Behnke represented Brookfield. We tied Appleton for fourth place with 652 strokes. John Gollnick was the fourth lowest individual scorer for the 36 hole meet with a 153 total.

Bob Morris was elected captain for the 1961 season.

Brookfield Central High School was one of seven teams to join a new baseball league organized for high schools in Waukesha county.

Our practices began several days before school was over in the spring. At the beginning of our practices, it was rather humorous to watch us play, since most of us were really out of practice . . . and condition. Before long, the team began to look and act like a working unit.

In time, we began to play well and win more games. The season seemed to be quite balanced, as our record shows.

There were many days we couldn't practice because the field was flooded, and several games were also postponed because of rain.

Al Gomber and Bruce Ellwanger, who both contributed greatly to our victories, were selected for the All-Conference team. Al was also chosen as captain of our squad.

## Forensics

The forensic program under the direction of Mr. Chester Boyes has grown into one of the most popular activities of the school year. Selected students compete with students from other schools in the Braveland Conference for the "A" ratings which enable contestants to go on to a district contest and, perhaps, finally, to a state-wide contest held at the University of Wisconsin in Madison each year.

The English department co-operates in the program by providing freshmen and sophomores with an opportunity to prepare a forensic selection for class presentation. Thus, all students become familiar with the various divisions open to anyone wishing to participate in platform speaking competition.

The following students were entered in the nine fields open to contestants this year: *(Row 1) Marilyn Coyle, play reading; Marsha Gass, play reading; Hilary Hecker, declamation. (Row 2) Helen Arthur, prose interpretation; Camille Peterson, play reading; Lynda Thuma, poetry interpretation. (Row 3) Joan Laughren, original oration; Marilyn Gomber, non-original oration; Sue Gardner, public address. (Row 4) Linda Semrow, non-original oration; Marty Schulz, declamation; Linda Elting, poetry interpretation. (Row 5) Ellen Venzke, prose interpretation; Chuck Jaeger, extemporaneous speaking. ## A. F. S. Program

Brookfield Central is proud to take part in the American Field Service program by participating in two of its world-wide activities.

In one phase, we are host to high school students from other countries. This year we welcome Helen Arthur from Capetown, South Africa; Masato (Mabo) Yukawa from Niigata-Ken, Japan; and Erik Kjolbye from Sonderborg, Denmark.

In the second phase, Terry Fenzl applied for the "Americans Abroad" program and went to the Netherlands where he stayed with a Dutch family during the summer of 1961.

Look out, here comes Erik!

With a little help from Mom, Mrs. Stuart Jonson, Mabo enrolls at B.C.H.S.

## DOWN RIVER

Prescott, Wisconsin, a small town on the Mississippi River in the 1850's, is the setting for *Down River,* the first musical produced by the Brookfield Central music department. It was staged and directed by Miss Jan Jones with Miss Patricia Koll assisting with dancing and drama. Sandy Hancock was student director.

The play opens on the river bank where head raftsman Jim Dawson (Dick Grede) and his men—Frank (Jim Matschulat), Swede (Harry Clausen), and Shorty (Bob Klein) — decide it's "That Time of the Year," the time to invade Prescott and ransack the town.

Back in town, the cowardly marshall Coleman Dewitt (Rick Meurer) proposes to Lucy Gibbs (Linda Semrow), who replies, "I Aim to Marry a Man." The townspeople gather 'round and tell Coleman the raftsmen are coming to town and certainly "Trouble's a Brewin'." And so it is. Jim and his men arrive in town, ruin the saloon, throw the bartender Charlie (Ray Sanow) into the street, disrupt Mr. Dunbar's (Bob Heuel) store, and terrorize residents of Widder Boughton's (Pauline Cruciani) hotel.

Jim visits Lucy's home to tell her he's heading "Down River" and wants her to come along, but just as she replies, "It Sounds Kinda Nice"; Coleman appears, snaps handcuffs on Jim and takes him to jail.

A town meeting is called to decide the scoundrel's fate, and Mr. Martin (Andy Goletz), the owner of the Red Dog, proposes that Coleman fight Jim, the winner to be marshall, the loser to leave town. After persuasion from Mr. Dunbar, Parson Richardson (Paul Zoroya) and the Widder, the townspeople decide to "Let Him Fight."

As news of the fight travels, the girls gather at Lucy's, where Betsy Boughton (Janet Hood) and her sister Henrietta (Maxine Tordeur) say that if they had two men fighting over them, "I'd Be Excited." Jim appears, declares his love for Lucy and they reaffirm that "It Sounds Kinda Nice" to marry and head toward New Orleans.

The time for the fight arrives and by using his intellect Coleman defeats Jim, who promptly signs on Coleman as a raftsman. As the play ends, the raftsmen again decide that they will head "Down River."

They know the meaning of togetherness.

## VOCAL MUSIC

Classes in vocal music give the student an opportunity to participate in and enjoy music of all kinds and to acquire musical skills which will enable him to continue singing as a vocation or an avocation.

Miss Jones, who directs the mixed chorus of sixty-five voices, feels that music helps students mentally and spiritually. Mrs. Doyle directs the forty-five-voice Girls' Glee Club and gives private voice lessons.

This year the group participated in the Christmas assembly on December 22, the Spring concert on March 27, and the Spring Contest on March 31.

DIRECTOR MR. BUENGER

The Senior Band is a team, the largest team in the school, and perhaps the only team which has remained undefeated. During the football season, the band marched down to the fifty-yard line and gave us a musical trip around the world and a demonstration of space travel. Later on in the year, it lent musical drive to Brookfield's own little circus.

In the spring the band climaxed a season of consummate performance with a formal concert dedicated to the classics.

They have a sense of showmanship.

## Stage Band

The 1961-62 Stage Band under the direction of Theodore Buenger was very busy this year. The Stage Band made a personal appearance on television and took part in the Milwaukee Jazz Society Contest, which was also telecast. The twenty-three member Stage Band attended a Clinic held in Chicago, December 23, and participated in the Milwaukee Boys' Club Dance Band Festival.

## Junior Prom

On Friday evening, April 28, 1961, the class of '62 presented its Junior Prom, "Shangri-La." The cafeteria was transformed into an oriental paradise, complete with a pond, a walk-over bridge, willow trees, creeping vines, Japanese lanterns, and a sparkling throne.

At ten o'clock a new tradition began when our queen accepted twelve red roses from our youthful pages and received her blue velvet robe and rhinestone crown while our king was presented with a crown of velvet.

The crowning took place on an old buck board, with pumpkins, corn stalks, and a quaint wishing well adding to the atmosphere.

## STUDENT COUNCIL — 1961-62

The purpose of the Student Council is to stimulate the American ideals of self-government and democratic citizenship, to develop school spirit and loyalty, to promote better relations between students and faculty, and to strive for the general welfare of the school. Each homeroom has a regular and an alternate representative to the council. Officers are selected by the student body in the spring to serve the following year.

## LANCER CARNIVAL — 1962

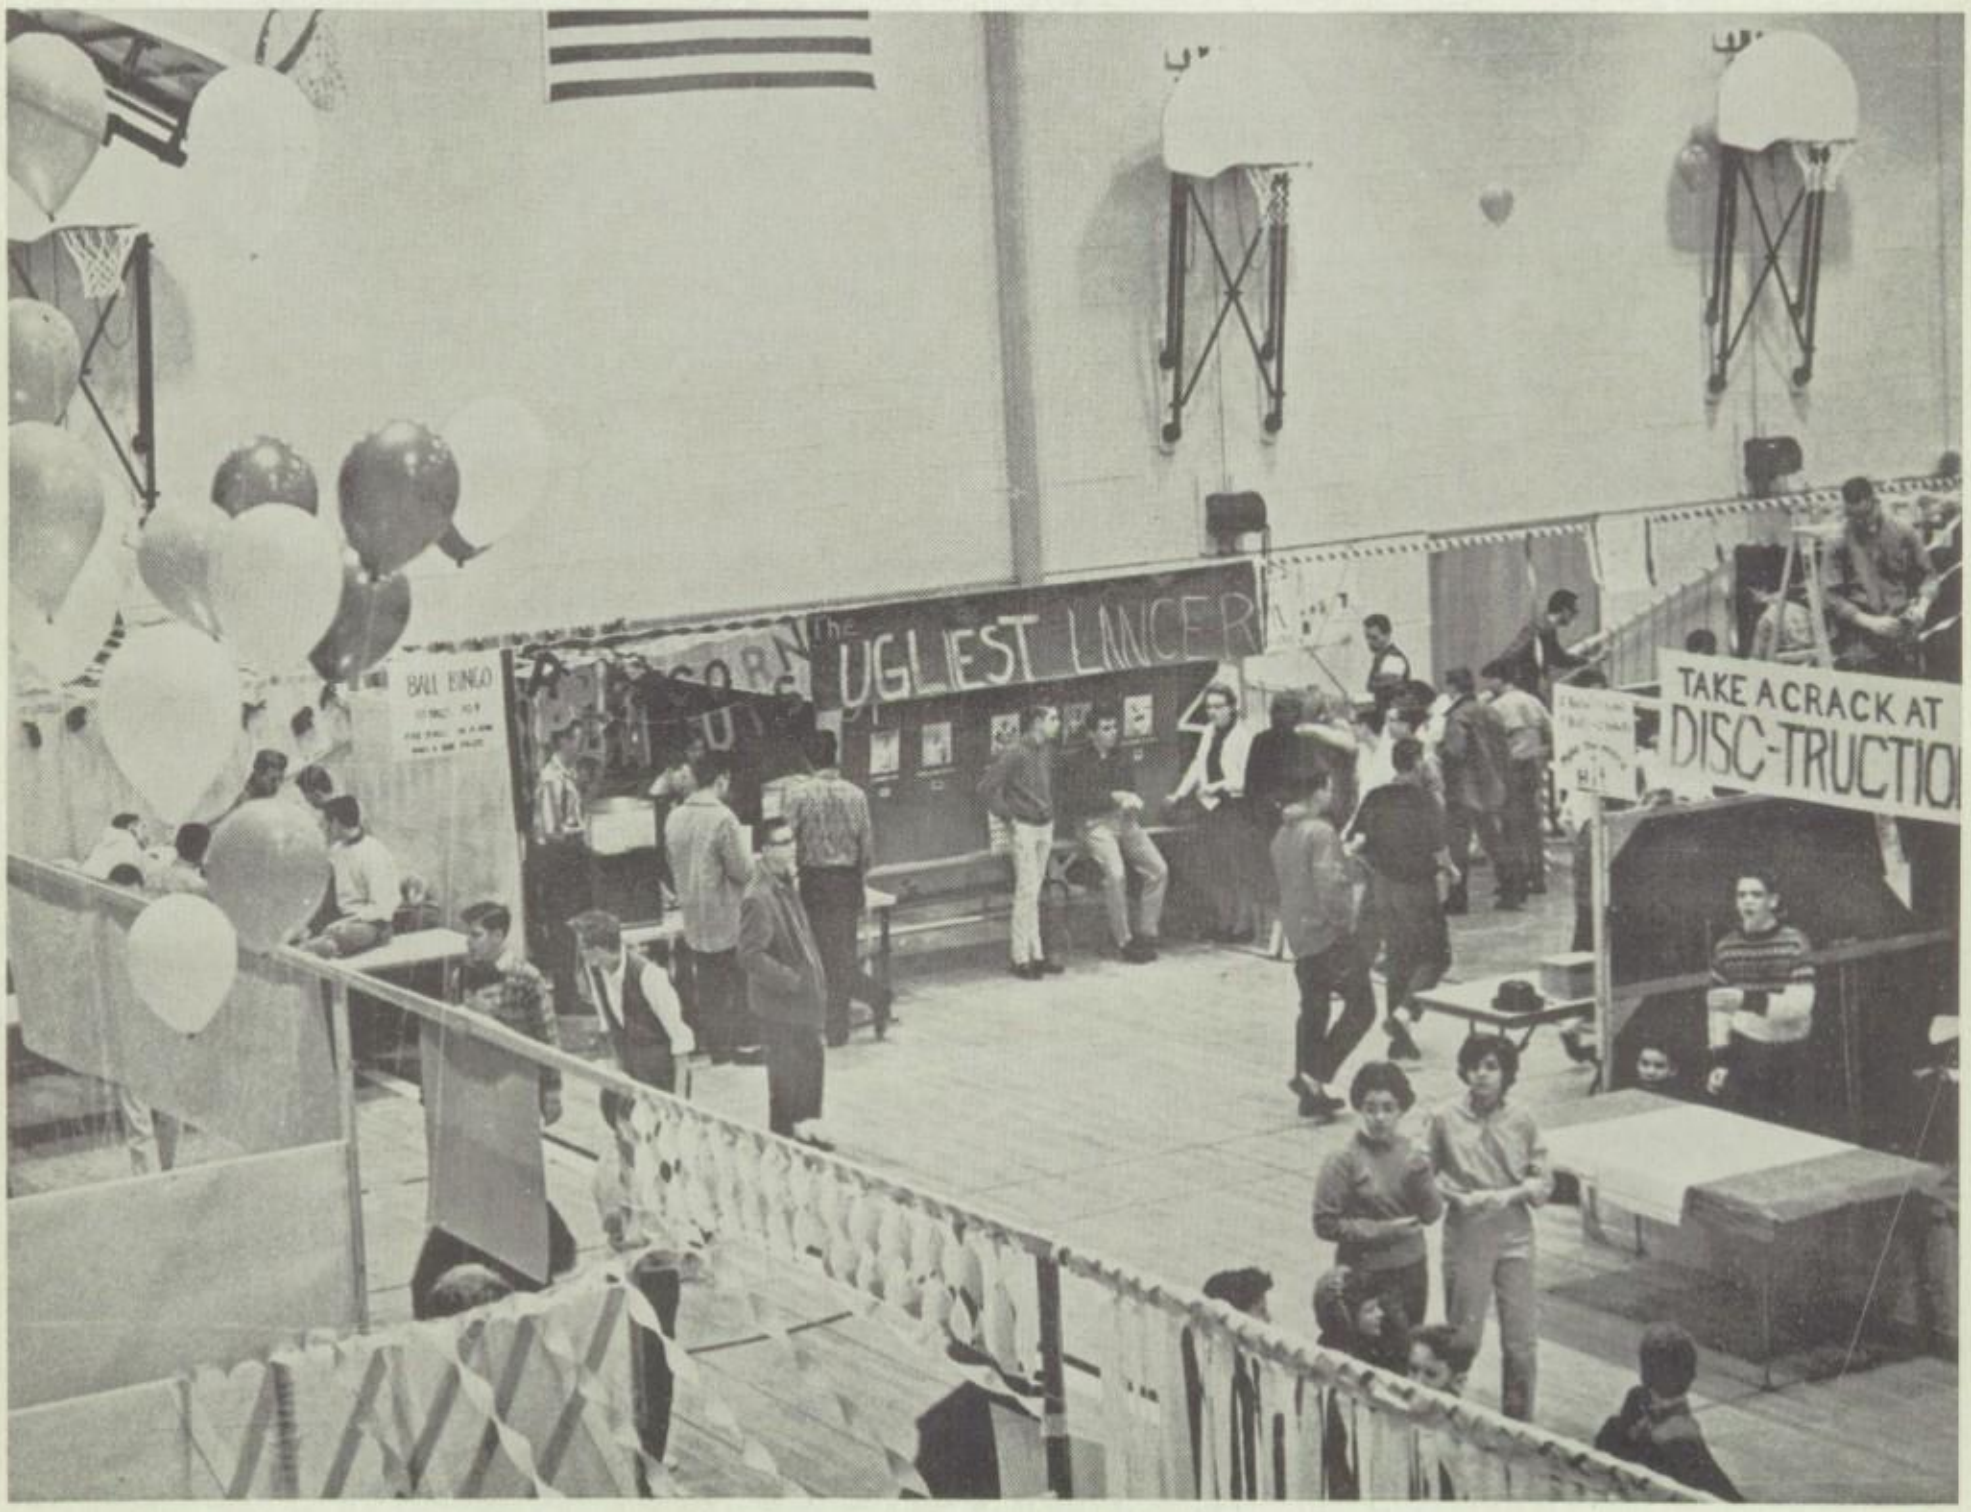
"It's carnival time, the time for food, games, prizes, crepe paper, canes, hats, noise, and fun. 'Popcorn!' 'Pop!' 'Balloons — ten cents each!' 'Try your strength!' 'Dunk a senior!'" Yes, those are all familiar cries at the Lancer Carnival. This year it was bigger and better than ever.

Fifty-three homerooms, clubs, and organizations including forty-seven from Brookfield Central, five from Brookfield East, plus our local Kiwanis Club built, decorated, and operated the variety of booths which earned nearly two thousand dollars in ten cent tickets for our Lancer Scholarship Fund.

Some highlights of the day were Bill Smith's being voted The Ugliest Lancer, Mrs. Korte's being plunged into the Senior Dunk (not by one of her students, incidentally), and giant, stuffed pythons being given as first prize to the best pair of twisters at the dance climaxing the affair which ended at 11:00 P.M.

Miss Koll's homeroom, 113, again won the trophy awarded to the group whose booth made the most profit. The trophy for the most original booth was carried off to Brookfield East by Mr. Brost's German and French Club.

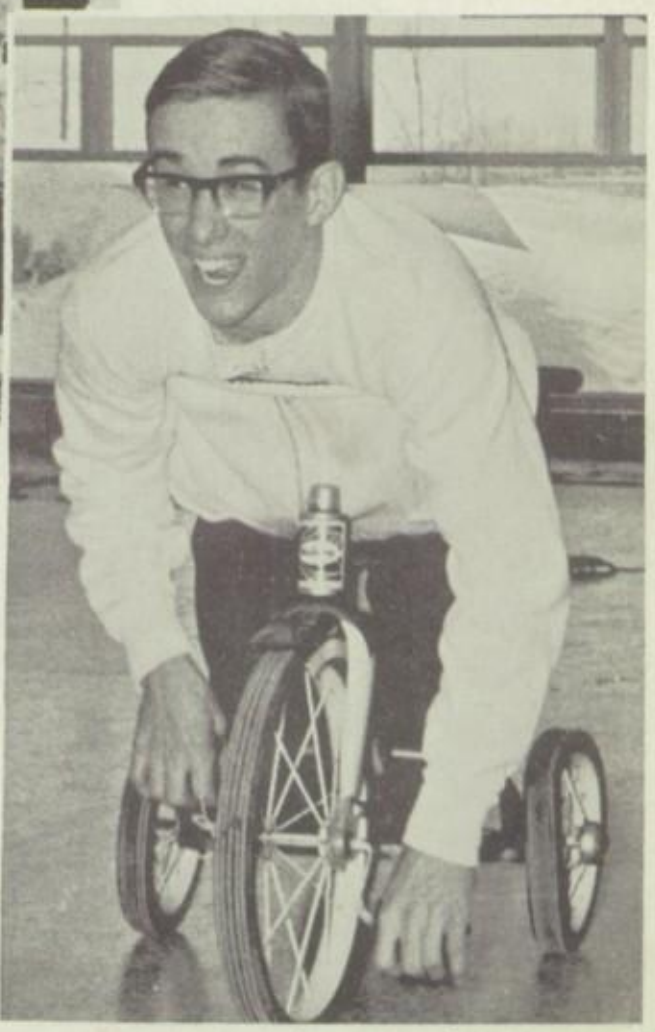
By 11:30 all that remained of the festivity and fun was scattered pieces of crepe paper, a few broken balloons, some wisps of straw from the hayride around the campus, and the lingering echoes of the once loud laughter. This was the Lancer Carnival, Saturday, March 3, 1962.



Nothing they spent was wasted.

"Hey, fellas, are you sure this thing will work?"

"Sure, . . . you just push this lever . . . see, INSTANT WATER!"



"Yeah, . . . but the insurance is cheap."

"Oh, here's the one who'd never take showers."

BALLOON TALK

. . . and thoroughly enjoyed being "Snow Bound."

## THE SENIOR BALL

"Snow Bound" was the theme for the Senior Ball held January 20, 1962, and indeed those who attended the dance were surrounded by snow. Decorated as a ski lodge, the cafeteria glistened with snowflakes and angel hair clouds. Adding to the illusion of winter was a large mural of an outdoor scene, which backed real evergreens and the royal thrones made of tree stumps. A stone fire place, Christmas trees, toboggans, and skis completed the setting.

At 10:15 the couples formed an aisle down the middle of the dance floor, and the members of the court were introduced by Senior Class treasurer Phil Cloninger and his date Karen Christopherson. After the royal couple, Barb Andreae and Craig Lemke, had ascended the throne, the crowning ceremony took place as a fitting climax to the evening's entertainment.

Even as the couples headed for their cars, the chill winter wind reminded them that, for this evening at least, they had been truly "Snow Bound."

## PEP CLUB

Pep club is one of the most popular clubs at Brookfield Central. On days of sports events it is traditional for the two hundred members to wear their blue and white Pep Club sweaters. The girls do their best to promote good school spirit by cheering in a body at all games, preparing skits for pep assemblies, and making posters for the bulletin boards, cafeteria walls, and gym. Membership is open to all BCHS girls who are willing to become a "green pepper" for one initiation day.

The more, the merrier.

## G.R.A.

The Girls' Recreation Association includes several of the "active" clubs at BCHS. For those who wish to pursue their athletic interest further than is possible in physical education classes, G.R.A. provides a suitable outlet for energy as well as skilled leadership in various fields. The different programs under G.R.A. are Tumbling Club, Modern Dance Club, Ski Club, Bowling Club, and girls' intramurals.

## TUMBLING CLUB

Whether you have just learned to do a forward roll or are accomplished at doing flips, the Tumbling Club will welcome you if your interest in gymnastics is sincere. Doing individual stunts, such as headstands, flips, and backbends; and group stunts, such as angel stands and pyramids, enables the club members to acquire coordination, balance, and skill.

## MODERN DANCE CLUB

Those girls in black tights, too-big white shirts, and bare feet aren't really from Greenwich Village. They're merely dressed properly for Modern Dance Club, an organization in which grace, interpretation, feeling, and coordination deepen the members' aesthetic experiences.

## SKI CLUB

Ski club, one of two GRA clubs which has male members, strives to promote safety on skis as well as to increase the knowledge and skill of those skiers who belong to the club. "Snow bunnies" or adept advanced skiers are welcome to take ski trips to Rib Mountain, the Porkies, or Maryhill.

A strike, you say?

Now, let's see, how do they do it on television?

## BOWLING

The few quiet moments when you stand with the ball in your hands, contemplating the steps you will take; the sound of the ball as it hits the alley and rolls toward the 1-3 pocket; the thrill of seeing that last teetering pin finally drop to the alley — this is bowling. Brookfield Central's club provides these thrills and many more as the students involved gain experience and learn the secrets of successful bowling.

## BOYS' INTRAMURALS

Boys' intramurals gives boys not on interscholastic teams an opportunity to compete in their favorite sports. The extensive program includes football, basketball, volleyball, table tennis, and softball. Basketball, volleyball, and softball are conducted as round-robin tournaments; the remainder, as elimination contests.

## HI-LITES

The *Hi-Lites*, our school newspaper, is published primarily by the journalism class. However, anyone interested in working on the staff as reporter, typist, proofreader, or subscription agent may do so with the approval of Miss Nadine Duerwachter, advisor. The *Hi-Lites*' office in room 231 is usually a place of considerable activity — typists bent low over their copy pounding out deadline material, reporters going out on assignments and coming in with notes to be transcribed, homeroom representatives sorting out cards, proofreaders mumbling over galley proofs, and Jim Cibulka peeling an orange. And often enough, the lights in the office burn long into the evening hours in order that the editors may put the paper to bed with the assurance it will "rise" on time.

Our best resource is their research.

## PSYCHOLOGY CLUB

The members of psychology club seek a theoretical and practical knowledge of psychology. At meetings discussions deal with problems of human behavior, causes and effects, and with methods of handling these problems intelligently. The group may discuss such specific subjects as the nature of creative thinking or the role of propaganda in modern society.

Key Club members provide service to our school and community. In addition to selling programs at athletic events, the club sponsors an annual card shower for Mary Ann Theis, a homebound student who would be a senior at Brookfield this year; takes children from a local children's home to home football games; and furnishes Thanksgiving baskets for the needy. Membership is by invitation, to sophomores, juniors, and seniors.

These students know that language is a key to a people's culture.

Class of '62. That's us. We've been here for four years, some of us five—because we were here in eighth grade. After four years, we've gotten to know B.C.H.S. pretty well, and the things that happened here happened to us, too. Since we have been here, we have seen the completion of the school cafeteria, the Little Theater, and the language laboratory. We have watched the growth of our drama department, climaxed this year when the play which we wrote, "Peonies, Peanuts and Proposals," won an "A" at state. We saw the first Homecoming and were part of an evaluation by North Central Association. We laughed at the Carnivals and the Circus concerts, and at fellow classmates on Pep Club initiation day. We were elated when we finally won the basketball trophy from Menomonee Falls, and we will never forget the week preceding this game. We cried at the basketball sectionals when we lost to Watertown, and when we again lost the trophy to Falls; but we have seen in four years the growth of outstanding teams in sports—track, football, basketball, wrestling. In between all this there have been proms, exams, assemblies, clubs, elections and the everyday things that make up our years. Amid these activities, we have studied, and the knowledge we have gained in our high school years will stay with us throughout life. We have watched, too, the growth of terrific school spirit—a pride in our school, a heart that is strong and true. It is this spirit that will never let us forget you, B.C.H.S. Yes, we have seen you grow up, and now, at the end of four years, we find that we have grown up too. Soon we will graduate, and the class of '62 will be but a memory echoing in the halls; but before we go, B.C.H.S., we'd like you to know that we will never forget you, and in the flurry of graduation night we will remember the days when you were our own, and we will walk down the aisle in pride, knowing that we were a part of a wonderful school, and see, beyond a mist of tears, the future.

Good-by, Brookfield Central High,
The Class of '62

Brookfield Central High School

# . . . hard-working, interested administrators

"It is a privilege to serve, to teach, and to learn in a modern up-to-date school system such as we enjoy at Brookfield Central High School. Making the most of each day's experience is a mighty important reason for being here."

MR. DONALD DISRUD
*Administrative Assistant*

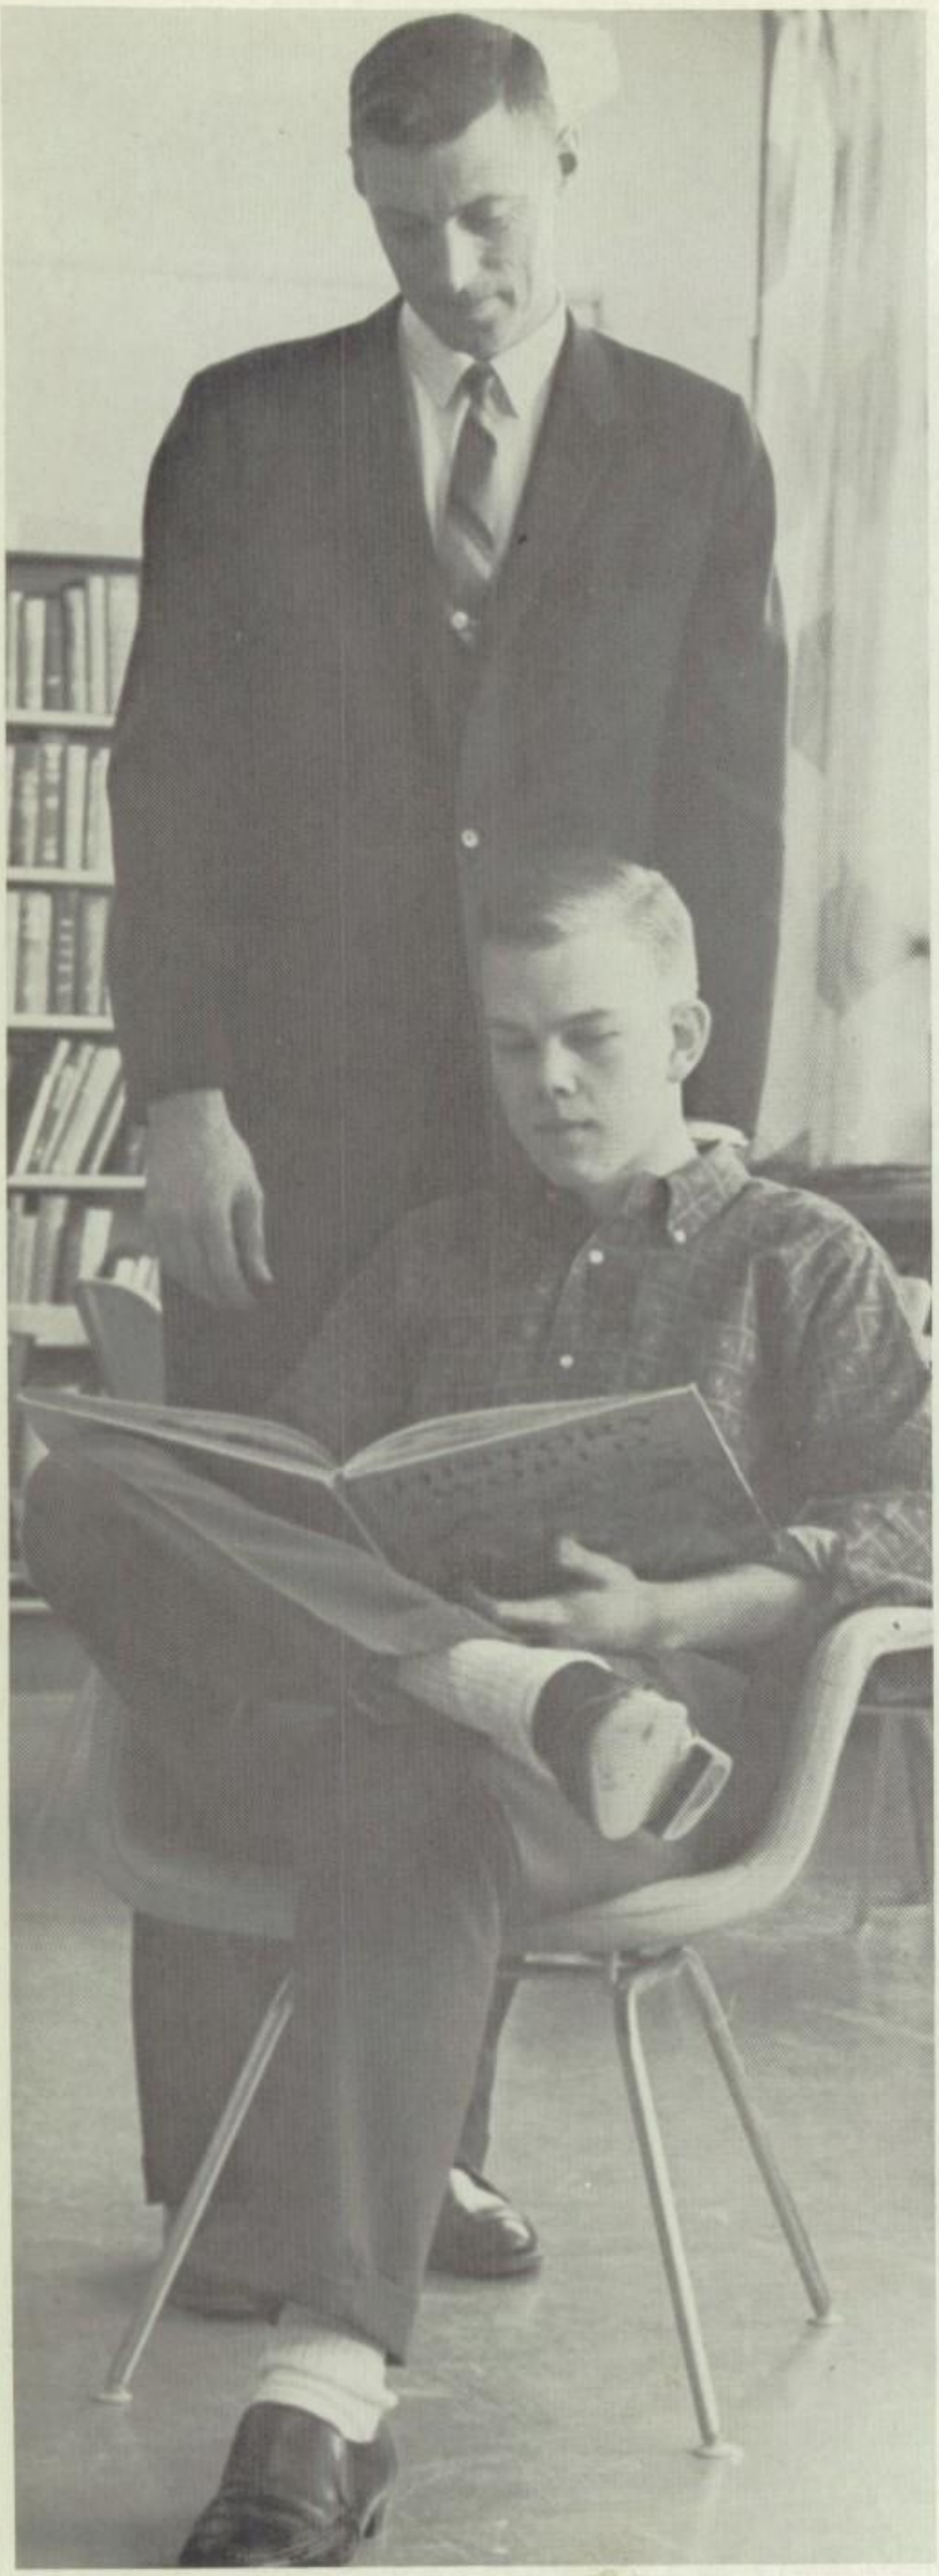
"Let's be ever thankful for America's universal system of education, particularly for our public schools which give all children an equal opportunity to develop their inherent interests and abilities. Without this opportunity, America would lose its distinctiveness, its essence, its strength."

MR. JOE ROSS
*Curriculum Coordinator*

# Board of Education

*Mr. Ray Troeger; Mr. John Erdahl; Mr. Harold Whitely; Mr. Stanley Helms, Superintendent of Schools; Mr. Ferd Schoenbaum, Treasurer; Mrs. Madelyn Elting, Secretary; Dr. Joseph Lubitz; Mr. Donald Siegfried, Business Manager; Mr. Al Meyer, Director; Mr. Donald Goodlad.*

These are our Teachers.



## What is a Teacher?

A teacher is a library pass in the morning; an A on that struggled-over theme; a zero on that missing assignment; a beady-eyed monitor asking for your pass; an unabridged dictionary, encyclopedia, & child psychology book all in one; an information booth that keeps on running long after the lights are out & the doors locked; & even a pair of weary eyes over a cup of coffee.

So often we look upon teachers as machines that move & talk & solve our problems, but they are more than this. They are each individuals with hopes & fears, likes & dislikes. Some are strict & others lenient. Some are quiet & reserved, while others are friendly & outgoing. But, they all have one thing in common - their desire for knowledge & their wish to inspire us to learn.

They stand in the shadow of our successes.

# Their harried hours are mostly ours.

Although they plan on the go. . .

and primp on the run. . .

and dream on the sly,

in the classroom they're prepared to instruct us

and even at dances, are willing and gracious.

# And gladly do they learn . . .

They have their *own talents* . . .

By George, how'd he get in here?

but their aim is to help us find *ours.*

They're the stitch in time to save us nine.

. . . and gladly teach.

They come as they are, and stand in line too.

(What's the story here?)

The tools of their trade are various—some old . . .

and some new . . .

. . . and some you.

"I was absent yesterday. Can I get some lunch tickets now?" "Do you have a pamphlet about Ripon College?" "Could you check to see just how much money our club has in the Activity Fund?" Students, teachers, and our administrators turn first, in most cases, to one of these important members of our school community when a special problem arises. Then that problem ceases to exist, for if they can't solve it, they can tell us who will. So we go away no longer in doubt, satisfied.

ADMINISTRATIVE OFFICE: *Mrs. Jane Christenson, Miss Norma Masterson, Mrs. Harriet Nelson, Mrs. Madelyn Elting.*

# These teams score high with us.

COOKS: *Mrs. Therese Walters, Mrs. Marion Stieglitz, Mrs. Lil Disrud, Mrs. Cecilia Bobrowitz, Mrs. Elsie Obst, Mrs. Eunice Mayer, Mrs. Dolores Liebranz, Mrs. Gertrude Schmul.*

## CAFETERIA AND MAINTENANCE STAFFS

We tend to overlook the fact that Brookfield Central High School would be a very different place in which to spend a school year if we had no custodians to wash walls, windows, and chalkboards; maintain our heating units; shovel snow; and do the thousand thankless tasks they perform so efficiently, or if there were no cooks to roast turkey or bake cake or prepare the barbequed beef of which we begin to think as the classroom clock nears twelve each week day. They do the extra things too that make many of our activities possible or at least more pleasurable. Often, after a prom or banquet, the last faces seen in the cafeteria are those of a cook washing the punch bowl and a custodian sweeping away the last of the decorations.

CUSTODIANS: *(Front row) Mr. John Benson, Mr. David Sweet, Mr. Max Bergemann, Mr. Frank Zovar. (Back row) Mr. LeRoy Lorentz, Mr. Edmund Bowes, Mr. Arno Kotilainen, Mr. Edward Fricke.*

# How often do we remember to say thank you to them?

Through the year these students have given of their time and ability to help make our school run more smoothly. Both the faculty and student body would like to express their thanks.

I am thinking of getting a patent on a new invention. Any screen to be worn over the mouth. The obvious advantage being that a smiling mater eyelid could no-longer be detected. Nebs and I missed you in the $\frac{1}{2}$ this spring and from our fifth place in conference I think we could have used you. Good Luck always,
